Order of the day:

- 1) Informations since 29th January 2010
- 2) Discussion of the 2010 Budget plan and future projects
- 3) Any other business

1) Informations since 29th January 2010

On 1st February the results of the auditors meeting on 29th January has been presented to the ETS Board. The balance of the year 2009 and the budget of the year 2010 as they have been presented to the auditors have been approved by the ETS Board to submit to the General Assembly. Other propositions about job advertisements, membership and ETS website have been taken up by the Board.

2) Discussion of the 2010 Budget plan and future projects

During the ETS Conference many discussions have taken place. The General Assembly has approved the new membership system, the new website activities as well as the balance 2009 and the budget 2010. The ETS Conference in Angers with 200 registrations has reached the breakpoint. The Budget 2010 is on a good way to come out as it has been proposed.

3) Any other business

The new membership system has already a positive impact now. It is the basic point to keep ETS fit for future. It is very important to be ready before and during the field days in Belgium to give new and more advantage to the existent as well as to future members of ETS in order to keep the existent and to get new members.
